

300H MK5

The 300H MK5 is our lightweight evacuation chair, which features a double handed grip, anti-slip grip and redesigned hammock. Its unique friction belt system ensures a safe and comfortable evacuation for the mobility impaired. With a 182kg payload capacity, this is our most popular choice for one-person operation.

FEATURES:

- 1 Double handed grip**
Enhances user operation.
- 2 Contoured headrest & integrated safety strap**
Provides passenger support and comfort.
- 3 Redesigned hammock**
Greater passenger comfort.
- 4 Sewn-in safety belt**
Improves safety and durability.
- 5 Simplified graphical instructions & user guide**
Easy to follow step-by-step instructions.
- 6 Redesigned kickstand, with repositioned rear wheels**
Improves stability and enhances operator handling.
- 7 Upgraded castor wheels**
Strong 50mm wheels improving manoeuvrability.
- 8 Unique friction belt system**
Self-braking track controls smoothness and speed of descent.
- 9 Anti-slip grip**
Improves stability and operation during passenger transfer or when deploying the kickstand.
